## Big Three to Begin Today

by Harry Lipski

The 1948 edition of Big Three week end, and incidentally the 10th anniversary of the annual affair, will hit the campus officially at 4 o'clock this afternoon when the zealous freshmen and determined sophomores will tangle in an organized swim meet in the pool of Kresge gymnasium.

The idea for this annual week end was conceived and carried out for the first time in 1938 by the Student council and one of the college professors. The two-fold purpose of the week end was to do away with year-long conflict between the lower classes and to promote school spirit.

**Ken Norman to Play**

Soft lights, sweet music, and dancing couples will be the motif tonight at 8:30 o'clock in Kresge gymnasium.

**Candidates for Miss Briton of 1948, from top to bottom, are: Mary Lou Ahrens, Faye Engstrom, Lois Irving, Jean Oakes, Patricia Pruneau, Mary Reed, Barbara Wesley and Mary Lou Yost.**

when the highlight of today's Big Three activities, the Student council sponsored "Cotillion" will get under way to the music of Ken Norman and his orchestra. During the intermission Miss Briton will be crowned. Immediately following the coronation, she will present scholarship trophies to the "A" club members.

Tomorrow night the spotlight will focus on the "A" club Carnival when the Midway in Kresge gymnasium opens at 8 o'clock. Features of the evening will be concessionaire's booths, a rebirth of vaudeville and dancing to Stanley Jones' 11-piece orchestra.

**Sophs, Freshmen to Vie in Scraps**  
The physical aspects of the week end will continue tomorrow morning at Alumni field at 9 o'clock when the two warring factions will vie for

honors in other athletic events culminating in the widely renowned tug-of-war across the Kalamazoo river.

Freshman and sophomore women will come to grips at 12:30 tomorrow afternoon in Susanna Wesley hall when they will give their original skits and songs. This will be followed by the announcement of the dormitory queen and her court as elected by the freshman women at dinner in the evening. The new regent will then present a cup to the winners of the skit competition.

**Dance to Have Southern Theme**

The theme of the "Cotillion" tonight will be a southern plantation. The dance will take place in the garden outside the house. The colonel's palatial plantation house will appear on the stage behind the orchestra. The dance will be semi-formal and corsages are optional.

Miss Briton will be chosen by ballot and will be crowned by Wendell Martin, Albion, "A" club president. Those seniors up for the honor are: Mary Lou Ahrens, Ferndale; Faye Engstrom, Albion; Patricia Pruneau, Belleville; Mary Lou Yost, Adrian, and Lois Irving, Jean Oakes, Mary Reed and Barbara Wesley, Detroit.

**Miss Briton to Give Awards**

Miss Briton will then present

scholarship cups to outstanding scholars on the basketball, football and track teams. Trophies are the R. R. Daugherty Track cup, the D. R. Sprankle Football cup and the F. A. Russell Basketball cup. Individual trophies will also be given to the most valuable man on each squad.

Tickets for the dance may be purchased from any Student council member or at the door. Dancing will be from 8:30 p. m.-12:30 a. m.

The Carnival will open tomorrow night with members of the "A" club calling for all the women at the dormitory and all the annexes and escorting them to the gymnasium Pied Piper fashion. The men are to find their own way there. The booths will be open from 8-10 o'clock and will consist of a fish pond, a roulette wheel, baseball throw, bowling, penny pitch, basketball throw, a fortune teller and a refreshment stand where such carnival items as pop-corn, pop, and hot dogs may be purchased.

**Novelty Acts to Follow Carnival**

The "Pair-a-dice Club" will open at 10 o'clock with such stellar attractions as Ed "Piccolo" Foster, Jim "Camptown Races" Carson on the banjo, the "A" club Minstrels with "Interlocutor-Man" Rod Bowles, Stan Jones' Dixie Five, a quartet and dances. Assorted freaks and novelty acts will round out the show. From the end of the show until 12 a. m. there will be dancing to Stanley Jones' large orchestra.

Tomorrow morning at Alumni field the "A" club will supervise the remaining class scraps beginning at 9 o'clock. First will be the shot put, discus throw, 100-yard dash, broad jump and high jump. At 9:30 will be the big push-ball game. At 10 o'clock there will be a softball game. The finale will be in the Kalamazoo tug-of-war at 11 o'clock.

### Students to Choose Council Members

**Elections to Occur Monday, Tuesday in Chapel Hours**

The slate of candidates for the election of 1948-'49 Student council representatives has been announced. Elections will be next Monday and Tuesday in chapel.

Candidates for next year's senior council are: Patricia Ball, Saugatuck; Mary Lou Buck, Kalamazoo; Stanley Jones, St. Joseph; Edwin McCurry, Muskegon; Elizabeth McIvannan, Pontiac; Robert Mohr, Tecumseh; Raymond Safronoff, Hazel Park; William Scofield, Howell; Luciea Spratt, Royal Oak; Dorothy Steininger, Wayne; Blair Bedient, Sessions and Ted Titus, Albion, and Catherine Becker, Betty Bourg, Jean Curtiss and Jean Peterson, Detroit.

Junior council representative candidates are: Adarose Beach, Ironwood; Joan Bedford, Fort Wayne, Ind.; Bernard Birt, Plymouth; Richard Cochran, Dubois, Penn.; Ralph Garner, Flint; Peirce Lewis, Pleasant Ridge; John Stitt, Glen Ellyn, Ill.; Florence Spalding, Grosse Pointe, and Charles Baker, Bruce Jones, Ernestine Keim, Marylyn McCormick and Louise Stegeman, Detroit.

Candidates for the sophomore council next year are: Richard Allen, Crete, Ill.; Winona Beard, Petoskey; Alice Behnke, Pontiac; James Carson, Birmingham; Chris Christ, Battle Creek; Gloria Henderson, Buchanan; Peggy Holcomb, Saginaw; Arthur Knittel, Westbrook, Conn.; Norbert Smith, Flint; Venetia Standridge, Fenton; Rhoda Roberts, Royal Oak, and Carolyn Getty and Douglas Kerby, Detroit.

From each class will be chosen one sorority woman and one independent woman and one fraternity and one independent man. Students will vote for representatives of their respective classes, men voting for the men and women for the women.

Station WANR will resume operations Tuesday following installation of additional equipment.

### Korean Woman Lectures at Forum

"All Christian movements can flood the world with the influence of Jesus Christ, the Prince of Peace, to fight communism," Mrs. Induk Pakh, Korean lecturer, asserted in her speech at an open forum last Wednesday night in the Chapel.

Through the leadership of graduates of Christian schools, the education of the Korean people to understand and solve their economic, political and spiritual problems has begun.

Women in Korea are no longer wives and mothers only, Mrs. Pakh pointed out. They now have the added responsibility of the right to vote, and they are working to use this power intelligently.

Quite naturally, she continued, they have tried to influence their husbands to discourage the geishas and thus build up a stronger family unit. For the first time in the history of Korea, the husband and wife are cooperating to find a workable solution to their national and international problems.

The establishment of producer, consumer, and credit cooperatives has been Korea's response to her economic problem. Cooperatives are not entirely new to the people, Mrs. Pakh pointed out. "The Korean farmers have had cow-cooperatives since time immemorial. So when one farmer cannot own one cow, two farmers own one cow, each hoping to own a cow of his own someday."

"Southern Korea doesn't believe in getting something for nothing," Mrs. Pakh stated. "The people would rather work. The tenant farmer has worked all his life and never owned his few acres of land. Russian communists offered to give the land to the people. The temptation was great, but the people realized that after they worked the land and gave their produce to the state, they would receive no rations on which to live."

The forum was one of a series sponsored by the Campus Religious council this year. Mrs. Pakh spoke in Wednesday and Thursday chapels.

### A Cappella Choir To Give Concert

### College to Raise 1948-'49 Tuition

**Operating Expenses Cause Additional \$35 Increase**

Because of increased costs involving salaries, wages, materials, equipment and program, tuition for next year will be increased to \$200 per semester it was announced by Mr. Paul R. Trautman, business manager, this week. This is an increase of \$35.

Board charges in the dormitories will not be raised but room rent in the annexes will be increased. Fees per semester for 1948-'49 will be: Susanna Wesley hall, \$450; annexes, \$440; Burns street dormitory, \$433; Clark Street dormitory, \$442; Dean hall, \$280, and students not resident in college dormitories, \$200.

Board in the men's dining room will be \$170, and rooms in Burns street dormitory will be \$63, and \$72 in Clark and Porter street dormitories.

**Rising Costs Merit Increase**

The increase for the approaching semester is attributed to the continuing rise in all costs connected with the operation of the college. Primary reason for the added room charge in the annexes is the high cost of fuel.

The cost of running the college last year was \$510,000. Interesting in relation to this is that of this amount, 67 per cent is provided by fees paid by students. The remaining 33 per cent must come from the income from the endowment and financial assistance from the Detroit and Michigan conferences of the Methodist church, said Mr. Trautman.

**Scholarships to Aid Students**

For students who cannot possibly meet the 1948-'49 fees, the college will attempt to increase its scholarships so as to provide those students with needed financial help.

In comparison with other accredited colleges, Albion is undergoing an equal general increase. In a recent study by the Lutheran churches in the United States, it was found that the increase per semester in 40 accredited colleges was \$35.50.

**Michigan Colleges to Raise Fees**

Of the Michigan private colleges, Adrian, Olivet, Hope, Calvin and Kalamazoo have already announced increases for the tuition or board and room charges for the coming year. Michigan State college will have a minimum fee of \$764 per year and the University of Michigan, \$792 per year for 1948-'49.

Tuition, board and room at a few of other corresponding colleges throughout the country are: Allegheny college, Pa., \$475; Beloit college, Wis., \$480; Dennison university, Ohio, \$500; Grinnell college, Iowa, \$520; Mt. Union college, Ohio, \$370, and Ripon college, Wis., \$487, per semester.

eral services were last Tuesday afternoon at the First Methodist church with President W. W. Whitehouse officiating. Burial followed at Riverside cemetery.

A Chapel Memorial service was given in Dr. Goodrich's honor Monday and Tuesday for the students. Tuesday afternoon at the funeral services Dr. G. Dempster Yinger, pastor of the First Methodist church, quoted some of the psalms and poetry from the Bible. Dr. Whitehouse eulogized Dr. Goodrich, in both memorial services mentioning particularly the great effect Dr. Goodrich's life had upon students and the community. Dr. Dwight Large, pastor of the Methodist church, Kalamazoo, gave the benediction.

**Born in Connecticut**

Dr. Goodrich is survived by his wife, a son, Frederic H., a daughter, Mrs. Helen R. Daulton, five grandchildren, and one great-grandchild.

Born September 9, 1865, in Waterbury, Conn., he attended nearby Wes-

## Dr. Goodrich

With the death of Dr. F. S. Goodrich went one of Albion college's greatest and dearest personalities. No student was at Albion long before he became aware that Dr. Goodrich was one of the campus' greatest personages.

Primarily the student body's connection with Dr. Goodrich was during chapel and there is no one who sat in even one chapel session at which Dr. Goodrich was the speaker who did not realize his earnestness, sincerity and deep feeling regarding the spiritual experience of each student.

His chapel talks were always brief and simple but each statement was loaded with good advice and practical suggestions which were helpful in everyday living. We were amazed at his world of knowledge and at his ability to quote from memory lengthy and varied passages from the Scriptures.

Dr. Goodrich has been not only a significant part of Albion college since 1892, but a significant part of the city of Albion itself. He, perhaps more than anyone, symbolized the basic principles and traditions of the college. The strength of his effect and the deep impression he made upon the entire student body is evidenced by the fact that no one among us had anything but praise and respect for Dr. Goodrich.

Each of us may have had only a "chapel" acquaintance with Dr. Goodrich, but we realize in him a truly great man in theory and practice. The thoughts and ideas which he has instilled with each of his addresses will never be forgotten.

## Students to Present Opinions at Forum

Students will have the opportunity to air their views on campus affairs and to offer suggestions for improvements at the open forum meeting in the Chapel next Wednesday at 4 p. m.

All suggestions must be placed in the box in Stockwell Memorial library before noon tomorrow. They must be signed, although no names will be revealed, according to Marjory Royer, Battle Creek, student chairman of the Student Faculty Committee on New Problems which is sponsoring the discussion.

All agreements now in effect between the Student council and faculty will be presented at the forum. These agreements will then be posted in campus buildings.

Members of the faculty and administration will also attend this meeting.

## Delts Will Have Informal Reception Tonight for Dates

Members of the Delta Tau Delta fraternity and their dates will gather at the house tonight at 7:30 p. m. prior to the Big Three Cotillion dance.

The actives beat the pledges in a basketball game held last Friday in the gym, 34-17.

The S. S. Epsilon sailed for Shanghai and points East last Saturday night as the pledges held a party for the actives. It was a costume affair with a ship as the theme for the party.

New drapes have been purchased by the chapter for the living room and music room.

Tau Kappa Epsilon fraternity is starting a campaign next week to organize a Teke chapter at Michigan State college and the University of Michigan.

In a recent baseball game between the pledges and actives, the actives won, 10-1.

Bryce Rudesill, Lapeer, is making plans for a formal to be in May.

Charles Clarke, Grand Rapids, has charge of the committee of job placements for graduates.

Next Monday night will be the last chapter meeting for seniors and the following are to give short talks for the occasion: Robert Beyer, Grosse Pointe; Clarke; Robert Denecke, Dearborn, and Richard Ellis, Detroit.

The Sigma Chi fraternity will have a father-son picnic tomorrow at Duck lake. Sunday morning breakfast will be served for the fathers.

The following represented the Albion chapter at a Tri-Conference meeting of the province in Lansing last Saturday: Frank Dean, Albion, chapter adviser; Charles Gwinn, Hastings; Donald Lee, Mt. Pleasant; Stanley Jones, St. Joseph, and John McDonald, Wyandotte. McDonald was selected to attend the national fraternity conference in Seattle, Wash., this fall.

William Horn, Detroit, was pledged by the Delta Sigma Phi fraternity at last Monday's meeting. Albert Plueddemann, Bay City, was elected Interfraternity council representative.

Sigma Nu officers were formally installed by Richard Jacobs, Akron, Ohio, president, last Monday evening.

Gold and silver scholarship keys are being purchased by the fraternity to be presented to the upperclassman and freshman having the highest average each year, according to Richard Lowmaster, Grosse Pointe, scholarship chairman.

Gerald Bailey, Rockford, was elected treasurer of the Alpha Tau Omega fraternity last Monday evening.

## Much Ado

Free: A year's subscription to the Pleiad for information leading to the apprehension of the joker who tears cartoons out of the magazines in the Student center.

Will wonders never cease? We frantically contacted the designated representative of a Cass street sorority shortly before last week's deadline only to be told the establishment had "nothing of interest." Is Albion's womanhood slipping? Imagine, all those women in the gab-clan, and they have nothing they would like the world to know.

Tip to the senior class: In view of your difficulties in raising money for your picnic and skip day, why not a rummage sale at which one could purchase slightly used lecture notes? We're anticipating a rough schedule next fall!

He ordered two cartoons of cigarettes; coffee for five of his buddies; a hamburger, and a candy bar. It came to \$4.50. He paid the bill with 90 yellow tickets, and had enough of them left over to put a two-inch stack back in his pocket.

We've received an anonymous phone call. Our informant tells us that there will be a booth outside the Chapel on May 26, the day of Senior Swing-Out. Undergraduates may rent caps and gowns in order to continue leaving ahead of the "gray ol' timers."

First freshman: Going to the "A" club Carnival tomorrow night?

Second freshman: Naw, I saw enough of those clowns when they were carrying paddles around.

Other officers elected are: Ray White, Adrian, Interfraternity council representative; Bernard Birt, Plymouth, steward, and Stuart Costigan, Tecumseh, house manager.

The pledge class is making arrangements for a Parents' day to be Sunday, May 16.

Robert Rosbolt, Plymouth, is chairman of a landscape committee which is to beautify the grounds around the house.

## Alpha Xi's Initiate; Kappa Deltas to Have Ceremony for Three

The Alpha Xi Delta sorority initiated Janine DePew, Chesaning, into the active chapter at last Monday night's meeting.

The pledges gave a cozy for the actives at the sorority lodge last Tuesday, Sally Mackenzie, Dearborn, had charge.

A cozy will be given by the Albion Alpha Xi Delta alumnae for the actives and pledges at the lodge next Monday in celebration of Founder's day. Beverly Sawyer, Royal Oak, is assisting the alumnae with the arrangements.

Nancy Wilcox was appointed chairman for the date night April 30.

The annual Mother's week end is scheduled for May 1-2. Committee chairmen are: Eleanor Harger, Albion, food; Nancy McSween, Grand Rapids, decorations; Barbara Barnes, Detroit, flowers, and Kathleen Coster, Detroit, entertainment.

The annual spring formal and dinner dance will be in Battle Creek.

The Kappa Delta sorority will initiate three women Monday night. They are: Mary Ellen Deckert, Pleasant Ridge; Mary Field, Shaker Heights, Ohio, and Marilyn Smith, Lake Odessa.

Actives and the three neophytes will have dinner together in the small dining room of Susanna Wesley hall before the initiation.

A Parents' day is being planned by Zeta Tau Alpha sorority for May 9. Phyllis Roe, Belleville, heads the committee and assisting her are: Julia Norris, Casnovia; Mary Ellen Pasmore, Howell, and Marjorie Rahn, Flint.

Alpha Chi Omega pledges cleaned the sorority lodge last Saturday, and this week general house repairs will be made.

The Delta Zeta sorority will have its spring formal May 1 in Jackson.

Patricia Schram, Lansing, was pledged by the sorority at last Monday night's meeting.

A sorority breakfast will be May 2.

## Dr. Goodrich

(Continued from Page 1)

leyan university in Middletown where he received his A. B. degree in 1890. After a two year assistantship in Greek there, Dr. Goodrich came to Albion as professor of Greek and literature. Later he became professor of the English Bible. At this time the college campus consisted of North hall, the old Central building, the Chapel, the observatory, and the old gymnasium, which now houses the home economics department.

**Opened Home to Students, Friends**  
Soon after Dr. Goodrich brought his Eastern bride, Mary Harrison, with him to establish a home together which was always open to all students and friends needing companionship and guidance.

In 1898 he secured his M.A. degree from the University of Michigan, in 1909 his D.D. degree from Defiance college in Ohio, and his Litt. D. degree from Albion in 1935 when he became college chaplain. He also studied at the University of Berlin, the American Archeological institute in Athens, Greece; the University of Chicago, Yale university and American School of Oriental Research in Jerusalem.

### Member of Phi Beta Kappa

He was elected member of Phi Beta Kappa, national honorary scholastic fraternity, at Wesleyan and also a member of Psi Upsilon fraternity. During a crisis regarding the presidency of the college in 1924 Dr. Goodrich was chosen acting president until a new president could be found.

He was a teacher whose influence extended to all corners of the world through contact with students in his classes. His success as a teacher and as a man came greatly from his ability to make his friend's problems his own. When students saw him walking on the campus, hatless, his white hair glistening, there was a feeling of trust and security. Dr. Goodrich often said, "Any time I can help you, be sure to come. That is why I am here."

One of his greatest messages, Jesus, the Great Teacher, was first delivered at the baccalaureate service in 1935 at the centennial anniversary of the college.

### Teaching His Major Interest

Though teaching was his major interest, Dr. Goodrich has been supply pastor for fourteen churches nearby. Since 1930 he has also been one of the trustees of the Bronson hospital in Kalamazoo. As writer and editor for eleven years, he edited the "Michigan Sunday School Advance," and in 1942 the lecture series which he delivered in all of the Methodist Episcopal districts in Mexico was published in Spanish. His sermons were sometimes published by Albion

## Sigma Nus Win Baseball Opener

### TKE's Defeat Delts, 5-4, Independents Beat Delt Sig's

Errors filled the baseball diamond when the Sigma Nus swamped the defending champion, Sigma Chis, 7-2, in the opening of the 1948 Interfraternity baseball season last Monday.

Both teams were shaky with the losers collecting eight errors and the winners only six.

Lloyd Siler allowed six hits and was the losing pitcher. Bob Bower was the winning pitcher and gave the Sigma Chis eight hits, three of which came in the fourth when they pushed across the two runs.

In the first inning the Sigma Nus got an early lead by scoring three runs on two hits and three errors. They scored one run in the fifth and repeated their first inning rally in the seventh.

A sharp single to center field scored the winning run for the Tekes in the game with the Delts Tuesday. In the last inning with the score tied at three runs apiece, the Delts were unable to score. With the Tekes at bat, Carl Ross singled to left and moved to second when Roy Halmhuber bunted to third. Then Thom Simmons hit a long ball to left center field scoring the winning run.

The Delts scored their three runs in the sixth. Bill Shafer, the Delt pitcher, was hit by a pitched ball. Johnson went to second on an error, scoring Shafer. Bob Mohr singled through the box with Johnson scoring. John Ferentz singled and Mohr came in with the tying run.

The Tekes scored one run in the fifth and two in the sixth. Tom Kirkpatrick singled in the fifth. Then Adolph Anselmi got to first on an error, and Clyde Maas and Bob Browne walked, forcing Kirkpatrick in from third.

Aided by the fast pitching of George Miller, the Independents defeated the Delt Sigs last Wednesday, 6-5, again in the last inning.

The Independents scored four runs in the fourth inning without receiving a hit. Their first run came in the first inning and the winning tally in the seventh.

The Delt Sigs scored one run in the third and two in the fifth and sixth frames.

### Named in Who's Who

He has been listed in "Who's Who in American Education," "Who's Who in American Methodism," "Who's Who in the Clergy," and in "Religious Leaders of America."

The title that columnist Tony Weitzel of the "Detroit Free Press" conferred on him perhaps most nearly approaches Frederic Samuel Goodrich's essential humanness—"An American Mr. Chips, a midwest American Mr. Chips."

## Munk Goes to Ann Arbor

Mr. Albert H. Munk, assistant professor of chemistry, is in Ann Arbor today attending the annual meeting of the Michigan School Masters' organization. Mr. Munk is chairman of the astronomy, physics and chemistry division of the meeting and had charge of arranging the program.

## Chicago Scientist Will Talk Thursday

### Dr. H. D. Young Will Discuss Atomic Energy in Open Meeting

Dr. Hoylande D. Young, director of the information division of the Argonne National laboratory, Chicago, will speak on "The Place of the Argonne National Laboratory in the Atomic Energy Program" at 8 p. m. next Thursday in Robinson hall. The open meeting is sponsored by the chemistry department and the Michigan State college section of the American Chemical society, according to Dr. D. L. Randall, professor of chemistry.

Prior to the talk by Dr. Young, the Albion science department will be host at dinner to the visitors from Michigan State college.

The Argonne National laboratory now carries on the greater part of the atomic research in this country. Run by the University of Chicago in cooperation with 29 midwestern universities, it is under the supervision of the Atomic Energy commission. The University of Chicago and the national government are now planning a \$60,000,000 expansion of its facilities.

## Class to Present Final Productions

The play direction class will put on the stage its final productions for this semester in the Chapel next Thursday at 8 p. m., according to Mr. James W. Brock, assistant professor of speech.

The two one-act plays that will be presented are "What Never Dies," by Wilde, directed by Lewis Moon, Albion, and "Spreading the News," by Lady Gregory, directed by Ann Lawson, Jonesville.

The cast for the first play is Charles Gwinn, Hastings; Eleanor Harger, Albion, and Mary Mahon, Birmingham.

The cast for the second play, "Spreading the News," is Adarose Beach, Ironwood; Charles Gwinn, Hastings; Mary Padden, Ferndale; Audrey Brown, Dorothy Hayes, Jarvis Lamb and Jerome Moore, Detroit, and Alan Leonard, Myra Pellowe and Frank Wochholz, Port Huron.

All seats for the two plays will be unreserved.

## Tennis Squad Wins 2 Easy Victories

### Net Men Shut Out Olivet, Defeat Jackson JC, 5-2

The Albion college tennis team had little trouble in its first two conference games, shutting out Olivet, 7-0, and taking an easy 5-2 victory from Jackson Junior college, last week.

Coach Bob Reed used as many men as he could during the two matches to give the players enough experience before the first conference game at Alma today.

### The Olivet score:

Singles: Stan Jones, Albion, defeated Dan Wheaton, Olivet, 6-1, 6-1; Bud Gregory, Albion, defeated Rick Geiger, Olivet, 6-1, 6-4; Bill Casteel, Albion, defeated Dan Williams, Olivet, 6-0, 6-0; Harry Hunter, Albion, defeated Albert Munde, Olivet, 6-4, 6-2; John Mayne, Albion, defeated Bob Eaton, Olivet, 6-0, 6-0.

Doubles: Ken Lindland-Fred Fiske, Albion, defeated Wheaton-Geiger, Olivet, 6-3, 6-3; Jim Harrison-Ray White, Albion, defeated Williams-Munde, Olivet, 10-8, 6-4.

### The Jackson scores:

Singles: Casteel, Albion, defeated Harry Burgett, Jackson, 8-6, 6-1; Jones, Albion, defeated Fred Theide, Jackson, 6-1, 7-5; D. Hunt, Jackson, defeated Gregory, Albion, 6-2, 7-5; W. James, Jackson, defeated Dave Curhan, Albion, 6-8, 6-2, 6-2; Mayne, Albion, defeated K. Hunt, Jackson, 6-2, 6-0.

Doubles: Field-Lindland, Albion, defeated Burgett-Theide, Jackson, 6-1, 6-2; Bange-Johnson, Albion won on a forfeit.

## Will Continue Discussion

The Rev. Samuel Wenger, Charlotte, former chaplain of the Jackson State prison, will continue his discussion with the Wesley fellowship next Sunday at 7 p. m. in the parlors of the First Methodist church. The topic of discussion will continue to be "Sex Education," according to Sanford Burr, Plymouth, publicity chairman.

A worship service will be conducted at the meeting.

Application deadline for positions on next year's Pleiad and Albionian staffs is next Wednesday.

# Britons to Open MIAA Season with Alma Today

## Albion Men Get Flying Start, Win 4 Victories

### Squad Scores 53 Runs In Non-Conference Games; Batting Stars Pace Team

The Albion baseball team enters the first MIAA diamond race in 20 years today when the Britons meet Alma college at the North Clark street field at 4 p. m. The Sprankle men will go into the contest riding on the crest of a four game winning streak. Albion humbled Jackson junior college and Indiana Tech twice each thus far in the season.

The hitting of Bill Scofield and Vince Sigren has paced the Britons so far in the young season. Scofield collected four of the Britons 15 hits as Coach Sprankle's men opened the season at Jackson April 15 with a 19-4 victory over the junior college combine. Scofield drove in six Albion markers and scored four times himself to provide the margin of victory. Sigren blasted the first Briton home run of the season in the fifth inning. Pitcher duties for Albion were divided between John Wellington, Frank Bonta and Ken Spyster, with Bonta getting credit for the win.

#### Travel to Fort Wayne

Last Saturday the locals traveled to Fort Wayne for a twin bill with Indiana Tech. Sigren led the Briton attack with two doubles and a single in five trips to the plate. Clark Wurm went the route for Albion, pitching shutout ball for the first six innings. Albion scored twice in the fourth, three times in the fifth, and tallied nine runs in the seventh to win 14-4. The Britons outhit Tech 10-8 but were greatly aided by 11 Indiana errors.

#### Bonta, Spyster Pitch Well

In the second game, Briton Starter Frank Bonta gave up single runs in the first and second innings but settled down after the second to pitch faultless ball until relieved in the fifth by Ken Spyster. Spyster pitched shutout ball the rest of the way while striking out six Indiana batters. Vern Baker's double and triple led the Albion parade of 12 hits that produced eight runs. A triple by Max Berry and a pair of doubles by Scofield were the other heavy hits of the day. Albion scored five runs in the second, two in the fifth and one in the sixth. The final score was 8-2.

The home opener played Tuesday afternoon on the Clark street diamond was marred by poor fielding on the part of both Albion and Jackson junior college. A high wind blew throughout the game and made fielding in the outfield difficult. The locals were jittery and fielding was far below the par set in the first three games. Eleven Albion errors contributed to the Jackson attack that forced Albion to come from behind in the last of the ninth to win, 12-11.

#### Jackson Gets Early Lead

Jackson jumped on Briton starter Wellington for two runs in the first inning on two errors and a long triple. Again in the third inning the junior college team put a double, two singles, a walk and an error together for four more runs. Jack-

## Gridmen to Have Full Length Game Next Thursday

Coach Del Anderson and his spring footballers will put on a full dress rehearsal for Briton fans Thursday at Alumni field. The rehearsal will take the form of a full length game between two squad units drawn from the candidates who are now taking part in spring grid drills. It will begin at 4 p. m.

According to Coach Anderson, the squad is progressing in good order, and the grid chief believes that the coming intersquad contest will be a good measure of how much of his system of play has been mastered by the gridgers. Thursday's game will also provide Albion fans with a preview of the 1948 varsity unit in action and will serve to acquaint fans with the new style of play.

The squad has been going through short periods of scrimmage each night during the past week and the time spent on fundamentals at the beginning of the spring season is showing up in the drive and spirit shown by the group as a whole.

Coach Anderson has been stressing offensive timing, speed and a polished blocking technique throughout the past week. He reports that the Briton passing attack has developed and can be counted upon to be a potent weapon next fall. Individual performers who have shown up well in the past week are Halfbacks Tom Johnson and Jim Carson and End Paul Meinke.

son Hurler Jack Holling held the Britons hitless until the fourth inning when Scofield slapped a single to center field.

Clark Wurm replaced Wellington on the mound for the Britons in the fourth and was touched for one run in the fifth on three errors and a sacrifice.

Albion came back in its half of the fifth and pushed eight runs across the plate on Al Ballard's pair of singles and Berry's triple. Jackson contributed three errors and three walks to the Briton spree.

#### Albion Overcomes Lead

Jackson scored two runs in the seventh and two more in the ninth on four errors, a fielder's choice and a passed ball. Albion came back in the last of the ninth to sew up the game. Scofield led off and was hit by a pitched ball. Sigren then blasted his second home run of the season over the center field screen to bring the Britons within one run of the visitors. Baker reached first on an error and went to third on a perfect sacrifice bunt by Dave Wilcox. Doug Kerby walked as did Berry and then Marv Grostic lined a single off the third baseman's glove to score Baker and Kerby with the winning runs.

Albion plays host to Olivet college Tuesday afternoon on the Clark street diamond.

## Bulldogs Surprise Briton Trackmen With Upset Victory

### Adrian Defeats MIAA Champs By Convincing Margin Here; Polley Takes Two Dashes

The Albion track squad, weakened by poor performance, indifferent attitudes and lack of interest, last Saturday afternoon dropped a convincing 7 1/2-59 1/2 decision to lowly Adrian college. This marks the first time since 1939 that the Bulldogs have beaten an Albion track squad. The Britons looked nothing like the aggregation that won the MIAA indoor crown a month ago.

The defeat was clearly an upset as the Bulldogs came to Alumni field expecting the Britons to at least equal their record of the MIAA meet. In the East Lansing event a month ago Adrian was able to capture but one first place. Saturday the down staters took 10 of 15 first spots.

George Henry of Adrian was the leading point maker of the day with 18 markers gained in firsts in the pole vault, broad jump, and low hurdles and second place in the javelin.

Ted Hagadone and Max Polley were outstanding for the Britons. Hagadone ran perhaps the best race of the day in winning the two mile event. Polley took firsts in both the 100 and 220-yard dashes for the locals.

Other Briton winners were: Bob Eggleston in the high jump, John Haas in the shot, and Paul Deller in the discus. The Britons showed considerable strength in the shot and discus events to take 15 of the 18 points offered in these events.

The Britons' next meet will occur tomorrow when the Hope college Dutchmen invade Alumni field for a dual meet. The invaders will bring a squad that finished fourth in the indoor contest last month. The Dutchmen will feature Vic Kraai and Bob Barrett who took second and third respectively in the indoor dashes. Kraai was last season's outdoor 100-yard dash champion.

Van De Wege and Van Dyke will handle the high jump and pole vault events for the Dutchmen. Both men were well up in their events in the conference meet.

Meet time will be 1:30 p. m.

Fowler, Bobbitt to Judge Exhibits Miss Constance E. Fowler, assistant professor of art, and Mr. Vernon L. Bobbitt, assistant professor of art, will judge civic art exhibits at the art center in Kalamazoo today.

Mr. Bobbitt will judge Western Michigan College of Education art exhibits at the Grand Rapids Art gallery tomorrow.

## SPORTSLANTS

By ART KEENEY

One of the few major disputes in the history of intramural athletics at Albion was cleared up last Saturday when fraternity and independent athletic representatives met with Director Dale R. Sprankle. The dispute involved the recent intramural track meet and the eligibility of three contestants.

Findings of the board were that all points garnered by these ineligible men were to be forfeited by their organization and, because of a misunderstanding on the part of the meet managers, the field events will be run over with scoring to be done on a team basis.

We feel that out of this situation four major facts evolve:

1. The organizations are forgetting the objective of the intramural program. The race for points toward the intramural cups is far overshadowing the fact that the program is set up first of all to supplant inter-collegiate athletics with activity for everyone. The point system is only to stimulate competition; it is not an end in itself.

2. Since intramurals are for the benefit of non-varsity men, it cannot be expected that men of varsity standing and ability be allowed to compete. If they are allowed to compete, it again takes the program back to a race for points as an end.

3. The system of intramurals at Albion is a good one and it is not the system that is in the wrong; it is the fact that it is being used to overshadow varsity competition that is wrong. An example of this fact is the appearance of so many ex-track men in the intramural program.

4. A greater and clearer understanding of the program and its rules is needed by the participants, the student managers of the events and the organizational athletic representatives. If the last-mentioned positions were filled by each organization with men who show a definite interest in the program and if these men would be allowed to hold their position for a longer period of time, there would be a basis for smoother relations in the program plus better understanding of the program itself.

As an aftermath of this dispute the athletic department is making up blanks to be filled in and signed by varsity athletes who are quitting their sport before the season is terminated.

Perhaps it is a good thing that the Briton tracksters lost to lowly Adrian last Saturday. Maybe now the local thinculds will realize they are not invincible and that in their case as in every other it is work and present performance that makes champions; past performances mean little. It speaks rather poorly for the squad when they get soundly beaten by a team that one month earlier fell to them by more than 40 points.

A few more men in Albion uniforms last Saturday could have spelled the difference between defeat and victory.

## Student Art Exhibit To Open Sunday

An all-student art exhibition will open Sunday at 2:30 p. m. and will continue until May 13 in the exhibition room of the Stockwell Memorial library, according to Mr. Vernon L. Bobbitt, assistant professor of art.

The exhibition will include paintings in oil and water color, drawings, compositions and many sketches and paintings of local buildings and landscapes. There will be approximately one hundred fifty items on exhibition.
